STRENGTH

Power of 10

IN NUMBERS

IN NUMBERS

OUR MISSION

Power of 10 is a special leadership program that broadens the knowledge of new and mid-career veterinarians through two classes: DVMs with less than 8 years post-graduation, and mid-career DVMs with 8-25 years post-graduation.

We focus on financial independence, emotional well-being, networking skills and effective communication with management strategies.

This unique experience helps veterinarians develop personally and professionally within a diverse group of colleagues from around Illinois.

A LASTING EXPERIENCE

Power of 10 graduates come away from the program with a number of lasting benefits:

- NETWORKING/CONTACTS
- NEW CAREER AVENUES
- PERSONAL DEVELOPMENT
- UNDERSTANDING YOURSELF
- BUSINESS MANAGEMENT
- VISITING THE CAPITOL
- FUN
- 20 HOURS CE
- STRONGER COMMUNICATION
- LEADERSHIP

2019-2020 CLASS DATES

Our next Power of 10 class will make these educational visits around the state to learn from experts:

Sept. 8-9: Pere Marquette, Grafton

Oct. 16: Raptor Center, Decatur

Dec. 10: Hinsdale, Burr Ridge

Feb. 5: Miller Park Zoo, Bloomington

April 1: Healthy Pet Week Capitol Visit, Springfield

WHAT THEY SAY

"The Power of 10 program has introduced me to colleagues that I would never have met before, yet we live and work in the same city, region and state. I have learned things about myself that allow me to be a better human, a better mentor and a better leader. I have learned things about organized veterinary medicine that were not available to me before, and am getting involved in programs that I could have only dreamed of before."

Brenda Burnham, DVM
