RE: 2022 ISVMA Annual Convention and Trade Show

On behalf of the ISVMA and all attendees of the 2022 ISVMA Convention, we invite you to help us provide a high-quality, highly diverse trade show for the veterinarians, certified veterinary technicians (CVTs), practice personnel and business owners who attend our meeting every year.

The ISVMA Convention is Illinois' premier meeting for continuing education, annually supporting our veterinary professionals' licensing requirements. Topics in business practices, companion animal, food animal, equine, exotics and a day-long track specifically for CVTs make up our event. To round out programming, the Convention includes daily wet labs and hands-on experiences.

ISVMA values its relationships with our industry partners. We know you are a critical component to a successful Convention. It's our pleasure to provide you exposure to ISVMA members at our trade show, and allow an opportunity for our attendees to get to know you.

Please contact us about this tremendous opportunity to invest in the success of ISVMA, because we are committed to your success as well.
