

Round-the-Clock Support is Available through your Member Assistance Program (MAP)

Everyone occasionally experiences problems. Locating the right assistance is, at times, as confusing as the problem itself. MAP provides counseling resources that quickly and professionally assist you and your family members in handling problems affecting your personal or work life. Why allow problems to weigh you down? Confidential help is just a call away.

What Types of Services Does Your MAP Offer?

- Three (3) professional and confidential counseling sessions (per member, per year)
- Work-life programs that include eldercare referrals, childcare referrals, and assistance with legal and financial referrals
- 24/7/365 availability of Master's level therapists

Your MAP Offers Assistance with

- Burnout
- Compassion Fatigue
- Work Difficulties
- Marital Concerns
- Parenting/Family problems
- Emotional Upsets
- Depression
- Stress/Anxiety
- Alcohol/Drug Misuse
- Financial/Legal Referral
