Your Member Assistance Program

Everyone occasionally experiences personal and family-related problems which can make life a difficult balancing act. ISVMA has chosen to provide a professional counseling resource which is compassionate and responsive in assisting you through difficult times and situations. Stress due to unresolved personal problems, family concerns, or problems with substance misuse impose emotional burdens which, if untreated, can deteriorate both your personal happiness and success in life.

CorpCare is an organization experienced in providing specialized emotional assistance for veterinary professionals working in demanding and, at times, critical environments.

Confidentiality

Privacy is key to trusting the MAP as a resource for assistance. Concerns discussed with a MAP counselor remain confidential. The MAP will not release personal or private information to ISVMA. The identities of all callers are held in the strictest confidence.

The CorpCare Counselor Network

CorpCare Associates, Inc., your Member Assistance Program (MAP) provider, uses fully licensed and credentialed counselors, located nationally, offering convenient appointments times including day, evening and weekend. Telehealth counseling is also available.

All MAP counselors are carefully selected and have years of clinical experience. When meeting with a MAP counselor, you are guaranteed a caring and professional experience. Assistance is available twenty-four hours a day, seven days a week.
