"I'm hoping to learn some additional methodologies for better communication with associates, staff, as well as trainees to develop a more cohesive and effective environment for work and learning."

DVM PROGRAM

BECOME THE
VETERINARY
LEADER YOU'RE
MEANT TO BE

Mission

Power of 10 is a veterinary leadership program that broadens the knowledge of veterinarians with less than seven years post-graduation work experience. Class size is typically around 10 students.

Curriculum focuses on financial independence, emotional well-being, networking skills and effective communication with management strategies.

This unique experience helps participants develop personally and professionally alongside their colleagues from around Illinois.

"I HOPE TO LEARN
HOW TO BE A MORE
EFFECTIVE LEADER
BECAUSE LEADERSHIP
IS KEY NO MATTER
WHAT ROLE I'M IN."

A Lasting Experience

Power of 10 graduates come away from the program with a number of lasting benefits:

- **Stronger Communication**
- **Leadership**
- **Personal Development**
- **Business Management**
- **Networking/Contacts**
- **Self-Understanding**
- **Legislative Lobby Day at the Capitol**
- **20+ Hours CE**
- **Fun!**
