Celebrating 30 Years: Pearls of Wisdom

National Veterinary Technician Week

NATIONAL VETERINARY TECHNICIAN WEEK
SUNDAY OCT. 15- SATURDAY OCT. 21

- Certified Veterinary Technicians (CVTs) work closely with your veterinarian, assistants and practice managers to ensure the best quality, humane care is provided for your pet and livestock.

- CVTs are educated professionals who complete rigorous training courses and veterinary-related classes.

- CVTs provide guidance, instruction and compassion for the betterment of both pets and pet owners.
